BAN ZU

Derived from the Malay word *pancur*, meaning “spring of water,” Ban Zu was once an ancient Singapore port settlement that symbolized life and renewal. As a spring of life, our signature cocktails embody both a literal wellspring of water—vital for survival in arid lands—and a symbolic source of vitality, renewal, and inner strength. A celebration of balance and nourishment, each creation flows with inspiration drawn from both nature’s abundance and the spirit within.

1

SPRING OF SHROOMS

Mushrooms as a symbol of renewal, this cocktail evokes flavor like nature's elixir from a hidden jungle spring. Earthy, vibrant just like WOOBAR's heart.

Black Truffle infused Hendrick's Gin,
Yuzu, Midori, Pineapple,
Strawberry Wine

Umami-forward, lightly sweet, earthy with bright citrus

2

YIN & YANG

A bold dance of opposite: one dark, one light. Yin & Yang is known as a male and female philosophy into a daring sensory balance. Together, they reflect nature's perfect symmetry, as found in every flowing spring.

Yin: Bacardi Carta Negra, Maraschino Liqueur, Coffee Liqueur
Yang: Bacardi Carta Blanca, Campari, Watermelon, Tonic

Rich, herbal, delicate floral notes
